FOR IMMEDIATE RELEASE

HAIDA GWAII REGIONAL RECREATION INSURANCE COVERAGE EXTENDED TO DROP IN SPORTING PROGRAMS

The Haida Gwaii Regional Recreation Service, under the direction of the Haida Gwaii Regional Recreation Commission (Commission) and in partnership with a number of island-stakeholders, aims to provide residents of Haida Gwaii with access to an array of recreational opportunities through the delivery of quality recreational programming.

Through discussion between the Skeena-Queen Charlotte Regional District (SQCRD), the Municipal Insurance Association of B.C. and the Commission, it was identified that there was a possibility to facilitate the ongoing use of the School District's facilities by registering individual drop-in sporting programs as programs of the Commission, offering these drop-in sporting programs to the public and establishing a reporting structure between drop-in sporting programs and Haida Gwaii Regional Recreation.

The SQCRD and the Commission are pleased to announce that registration of your drop-in sport program under the Haida Gwaii Regional Recreation Service is now available. We aim to support increased access to recreational opportunities across the island and look forward to hearing from your drop-in sporting group soon!
