BOARD POLICY

Title:	Grant in Aid for Sports, Arts and Cultural Events
---------------	---

1. PURPOSE

To provide clarification regarding requests from organizations or individuals to provide funding or advertising for sporting or arts and cultural events.

2. POLICY

While the Board of the Skeena-Queen Charlotte Regional District recognizes the overall benefit and enrichment, to both communities and individuals, achieved through sports, arts and culture, the Board feels strongly that funding for those types of events should be done as a personal choice by local businesses and residents rather than by a government body.

Therefore the Regional District will not provide grant-in-aid or advertising for sport teams or activities, nor for arts and cultural events.
