

# Skeena-Queen Charlotte Regional District

## BOARD POLICY

<b>Title:</b>	Waiving of Fees and Other Charges
---------------	-----------------------------------

### 1. PURPOSE

To provide clarification regarding requests from non-profit organizations, individuals and businesses to reduce or waive fees and other charges.

### 2. POLICY

The Skeena-Queen Charlotte Regional District relies on fees to offset the cost of certain services. These fees and charges are a vital part of Regional District revenues and help in reducing the amount of taxation that would otherwise be collected to fund the services.

While the Board of the Skeena-Queen Charlotte Regional District recognizes and values the important work done by non-profit organizations and the contribution to the community by individuals and local businesses; the Regional District will not waive or reduce fees and other charges as this places an additional burden on the taxpayers.
